Pathfinder Roleplaying Game: NPC Codex

It's happened to every Game Master. You spend hours setting up the perfect encounter, your players are out for blood, the swords are drawn—and then you realize that you've forgotten to build statistics for the enemy characters. Or perhaps your players go left when you expect them to go right, leaving you without any encounters prepared.

Such problems are a thing of the past with the NPC Codex. Inside this tome, you'll find hundreds of ready-made stat blocks for nonplayer characters of every level, from a lowly forest poacher to the most majestic knight or ancient spellcaster. Whether you're planning out future adventures or throwing together encounters right at the table, this book does the work so you can focus on playing the game.

Pathfinder RPG NPC Codex is a must-have companion volume to the Pathfinder RPG Core Rulebook and Pathfinder RPG Bestiary. This imaginative tabletop game builds on more than 10 years of system development and open playtests featuring more than 50,000 gamers to create a cutting-edge RPG experience that brings the all-time best-selling set of fantasy rules into the new millennium.

The Pathfinder RPG NPC Codex includes:

- Statistics for more than 300 characters, including at least one for every level of every class in the Pathfinder RPG Core

Rulebook.

- Tactical suggestions for every character, ensuring that you get the most out of each individual's gear and abilities in a fight.
- Tons of flavorful names and backgrounds to give characters personality, plus ideas for using them in both combat and roleplaying situations.
- Statistics for characters with lower-powered NPC classes to help populate your world with ordinary people, as well as characters with specialized prestige classes.
- Animal companion statistics for druids and rangers, from level 1 through level 20.
- Multiple versions of each Pathfinder iconic character, perfect for pregenerated player characters.
- Encounter groups for conveniently crafting battles on the fly.
- ... and much, much more!
